Municipal Elections. We give below the vote cast yesterday for the candidates for Mayor and Aldermen. JOHN A. McEwen, Esq, is the Mayor elect, having beaten Gen. CHEATHAM seventy-five votes. It gives us much gratification to atnounce this re-ult, as we should have regarded the defeat of John A. McEwen, a great wrong to him personally, and most unfortunate for election the American party of Nashville. The majority is small, owing to the fact that previous to his having been selected as a candidate, many of our party, including some of his most devoted friends, had pledged themselves to Gen. Cheatham, and could not falsify their Gen. Cheatham, and could not faisily their We are sutho fied to announce Thos. D. Stocker pledges. There were other things also which as a candidate for County Court Clerk at the next March conspired to reduce the American majorny, but, as they were foiled, it is unnecessary to mention them. It is highly creditable to Mr. McEwen, under the circumstances, that he was elected at all. He will assume the Mayor ilty at a time when there is great need of the exercise of all his acknowledged energy and ability, to protect the interests of the property holder, and to preserve the character and credit of the city. We know he will not fail to exercise them; and we trust that the ensuing varch election. new Board of Aldermen will, in conjunction with him, institute and carry into effect such | as a ca didate for Constable in the Nashville District, at the measures of r.f.rm as shad mark a distinct ers in the good management of our much mismanaged city aff ars.

SEWING MACHINE. A BOUT the 30th day of August, 18:6. I was employed by Measure Watern, Wooster & Co., composed of Wm. C. Watson Morris Knight, and George it. Wooster to manufacture Sewing Machines, which were known as the "Watson Ten Bollar Sewing Machine." That thereafter I receive a notice from the countel of O B. Potter and N. Wheeler, mentioned in the annexed copy of injunction, informing me that these Machines were an infingement upon Letters Patent which they owned, a d that suits would be instituted against me, unless I should otherwise sattle with them. This notice I h nded to Mr. Wooster,

ise of my employers.

I then made investigations to assertain the facts, and ound that said Mac ine, as I believed, was an infragenent of said Patent, and I informed said Watson that such was my opinion.

Sub equently a sult was commenced against me by said
Potter and Wheeler, and immediately thereafter I so informed Mr. Watson, and requested him to take charge of
the defence of the same, and he refused to do so, and I
then teld him that I would have nothing more to do with
it, and I then ceased to make the Machines; and the injunction, a copy of which is hereto annexed, was issued
and served upon me.

Fine Stock Farms AT PUBLIC SALE. Lying in the county of Warren, immediately on the Stage Road leading from Murfreesboro to McMinnville, 9 miles from the latter place, and within 7 miles of

the Manchester and McMinn-

ville Kailroad. ON TUESDAY, OCTOBER 27th, 1857, I will offer for sale, on the premises, to the highest bidder. They are gently un ulating, and the portions not cleared studded with fine oak, poplar, hickory, wainut, and other de-criptions of timber, producing mast in ab indance.— Charley's creek, an unfalling stream, furnishing an abun dance of water, runs through the centre of them, and there are, in addition, twenty fine Springs scattered through them. The soil is well adapted to the cultivation of Corn, Wheat, Oats, all the small grains, and dos grasses, and will compare favorably with the best Warren county lands. Producing grass spontaneously, in abunance, there is no better range for cattle and sheep in the State. A portion of the lands are improved, there being some eight or ten cultivated farms, with cottages, upon the tract, independent of the beautiful residence of Mr. Glase ck. The whole body of them has, however, been recently surveyed and said off in small tracts, containing from 100 to 800 seres, and fronting on a public road. In from 100 to society the location has many advantages; churches, school-, and miles are convenient, and the Manchester and McMinnville Railroad, which is but seven miles distant, affor a an outlet to market. The town of McMinoville, the county seat, is but nine miles off, near which it is believed the great Southern University, to be established under the auspices of the Episcopal church, will be located; thus enhancing the value of all the lands in the neighborhood. The celebrated watering place. Beersheba, is but 25 miles di tant. The healthfulness of this portion of Middle Tennessee is provertial, it is the Summer retreat of numbers of persons from the South. This sale will afford an unusually fine opportunity to those desirous of purchasing stock farms, in one of the best sections of the State, and it is hoped that all such, as well as those who may wish merely to obtain a place of

refuge from the heats of summer, will exact A free Barbecue will be prepared at the Big Spring, head of Charley's Creek, for the accommodation of all who may attend. TRAMS OF SALE .- One, two, and three years credit, for notes with approved security, and a lieu retained.
